

Finance Manager (m/f/d)

Munich

Pushing forward the finance processes in an innovative company!

Our client is a leading provider of innovative heat pump solutions for electromobility and is establishing itself in the European automotive market as part of a renowned parent company. With a major project secured with a German OEM over the next decade, our client enjoys a secure future of sustained growth.

As part of the execution plan, our customer is building a fully automated factory for heat pumps in Southern Germany headquartered in Munich. With a team of seventy employees, it aims to become a key automotive supplier for electric vehicle transportation.

Your tasks

- Checking and recording incoming invoices, credit card statements and travel expenses
- Processing account statements and cash books, preparing payment runs
- Creation and cancellation of provisions, accruals and deferrals
- Preparation of advance VAT returns in Germany
- Maintaining open items and clarifying differences
- Supporting the preparation of monthly, quarterly and annual financial statements

Your profile

- University degree in finance with a focus on accounting
- Three years of accounting experience, related product industries are preferred
- Experiences in auditing, tax consulting or related industries are also welcome
- Business fluent German and English skills
- Fundamental accounting knowledge in accordance with HGB
- Familiarity with SAP as Accountingsoftware
- Structured, independently working and analytical personality

Benefits

- Possibility for professional development and personal growth
- Attractive salary package including Christmas payment and bonus
- Relocation assistance if needed, Part-time possible
- Collaborative work culture valuing diversity, inclusion, and teamwork
